## **SCOR renews strategic alliance for medical malpractice business with the MDU in the United Kingdom**

SCOR SE announces that it has renewed its successful business relationship with the Medical Defence Union Ltd. (MDU). MDU is the UK's leading medical defence organisation and in the past was a joint venture partner of Converium AG of Switzerland, (today SCOR Switzerland Ltd.). SCOR has secured a ten year agreement, commencing on 1<sup>st</sup> April 2008, to provide professional indemnity insurance to the members of the MDU.

Denis Kessler, Chairman and CEO of SCOR, comments: "It is a great achievement for SCOR to be able to count on continued partnerships with successful organizations such as the MDU. The ongoing business relationship with such an important and highly valued client clearly proves SCOR's ability to effectively consolidate SCOR and Converium, thereby taking advantage of capital management and diversification benefits for itself and its clients."

Dr. Michael Saunders, CEO of MDU, said: "The MDU is delighted that its successful relationship with Converium is now set to continue with SCOR and that our members will have the benefit of insurance supported by a major European reinsurance group. We look forward to working with our new partners."

### **Forward looking statements**

SCOR does not communicate "profit forecasts" in the sense of Article 2 of (EC) Regulation n°809/2004 of the European Commission. Thus, any forward looking statements, contained in this communication, should not be held as corresponding to such profit forecasts. Information in this communication may include "forward-looking statements", including but not limited to statements that are predictions of or indicate future events, trends, plans or objectives, based on certain assumptions and include any statement which does not directly relate to a historical fact or current fact. Forward-looking statements are typically identified by words or phrases such as, without limitation, "anticipate", "assume", "believe", "continue", "estimate", "expect", "foresee", "intend", "may increase" and "may fluctuate" and similar expressions or by future or conditional verbs such as, without limitations, "will", "should", "would" and "could." Undue reliance should not be placed on
