Denis Kessler is elected "Reinsurance Company CEO of the Year" 2013

On 26 June 2013 in London, Denis Kessler, Chairman & Chief Executive Officer of SCOR, was named "Reinsurance Company CEO of the Year" at the Reactions London Market Awards.

The prestigious London Market Awards are organised each year by Reactions magazine and distinguish industry personalities and companies operating on the London market, as voted for by insurance and reinsurance market professionals.

This distinction follows on from the 2012 "Financier of the Year" title, which was awarded to Denis Kessler last week by ANDESE - the French National Association of Doctors of Economics and Management Science, and the weekly publication *Investir-Journal des finances*.

Denis Kessler, Chairman & Chief Executive Officer of SCOR, comments: *"I would like to thank all the insurance and reinsurance industry professionals who took part in the vote for this distinction. This award, which follows that of "Reinsurance Company of the Year" received last year, is a recognition of the relevance of SCOR's strategy and the quality of the work conducted by all of the Group's employees throughout the world. We appreciate it all the more because it has been voted for by insurance and reinsurance professionals, including many SCOR clients, thereby demonstrating their satisfaction and confidence".*

Forward-looking statements

SCOR does not communicate "profit forecasts" in the sense of Article 2 of (EC) Regulation n°809/2004 of the European Commission. Thus, any forward-looking statements contained in this communication should not be held as corresponding to such profit forecasts. Information in this communication may include "forward-looking statements", including but not limited to statements that are predictions of or indicate future events, trends, plans or objectives, based on certain assumptions and include any statement which does not directly relate to a historical fact or current fact. Forward-looking statements are typically identified by words or phrases such as, without limitation, "anticipate", "assume", "believe", "continue", "estimate", "expect", "foresee", "intend", "may increase" and "may fluctuate" and similar expressions or by future or conditional verbs such as, without limitations, "will", "should", "would" and "could." Undue reliance should not be placed on such statements, because, by their nature, they are subject to known and unknown risks, uncertainties and other factors, which may cause actual results, on the one hand, to differ from any results expressed or implied by the present communication, on the other hand.

Please refer to SCOR's Document de référence filed with the AMF on 6 March 2013 under number D.13-0106 (the "Document de référence"), for a description of certain important factors, risks and uncertainties that may affect the business of the SCOR Group. As a result of the extreme and unprecedented volatility and disruption of the current global financial crisis, SCOR is exposed to significant financial, capital market and other risks, including movements in interest rates, credit spreads, equity prices, and currency movements, changes in rating agency policies or practices, and the lowering or loss of financial strength or other ratings.

The Group's financial information is prepared on the basis of IFRS and interpretations issued and approved by the European Union. This financial information does not constitute a set of financial statements for an interim period as defined by IAS 34 "Interim Financial Reporting".
