Denis Kessler wins the 2014 *Prix du Stratège*

On 10 March 2015, Denis Kessler, Chairman & CEO of the SCOR group, was awarded the 2014 *Prix du Stratège* in Paris by Emmanuel Macron, French Minister of the Economy, Industry and the Digital Sector

Each year, the *Prix du Stratège*, created in 1989, is awarded to the industrial and financial strategy deemed to be the most relevant.

The *Prix du Stratège* is a tribute to the strategy followed by SCOR's management team, led by Denis Kessler, which has made the Group the 5th largest reinsurer in the world.

In June 2014, Denis Kessler was named "Reinsurance Company CEO of the Year" at the Reactions London Market Awards. He was named "Outstanding Contributor of the year – Risk" by *Insurance Insider* magazine in September 2014. Also in 2014, he was elected by the members of the International Insurance Society to join the Insurance Hall of Fame, the highest honour in the global insurance industry.

Denis Kessler, Chairman & CEO of SCOR, comments: *"I am very honoured to receive this prestigious award, in which I would like to include my Executive Committee, all my colleagues throughout the world and my Board of Directors. The recovery and restructuring of SCOR to create a Tier 1 reinsurer has been an extraordinary, intense and exciting adventure."*

Forward-looking statements

SCOR does not communicate "profit forecasts" in the sense of Article 2 of (EC) Regulation n°809/2004 of the European Commission. Thus, any forward-looking statements contained in this communication should not be held as corresponding to such profit forecasts. Information in this communication may include "forward-looking statements", including but not limited to statements that are predictions of or indicate future events, trends, plans or objectives, based on certain assumptions and include any statement which does not directly relate to a historical fact or current fact. Forward-looking statements are typically identified by words or phrases such as, without limitation, "anticipate", "assume", "believe", "continue", "estimate", "expect", "foresee", "intend", "may increase" and "may fluctuate" and similar expressions or by future or conditional verbs such as, without limitations, "will", "should", "would" and "could." Undue reliance should not be placed on such statements, because, by their nature, they are subject to known and unknown risks, uncertainties and other factors, which may cause actual results, on the one hand, to differ from any results expressed or implied by the present communication, on the other hand.

Please refer to SCOR's Document de référence filed with the AMF on 05 March 2014 under number D. 14-0117 (the "Document de référence"), for a description of certain important factors, risks and uncertainties that may affect the business of the SCOR Group. As a result of the extreme and unprecedented volatility and disruption of the current global financial crisis, SCOR is exposed to significant financial, capital market and other risks, including movements in interest rates, credit spreads, equity prices, and currency movements, changes in rating agency policies or practices, and the lowering or loss of financial strength or other ratings.

The Group's financial information is prepared on the basis of IFRS and interpretations issued and approved by the European Union. This financial information does not constitute a set of financial statements for an interim period as defined by IAS 34 "Interim Financial Reporting".
