
**The asset management company SCOR Global Investments
continues to strengthen its organisational structure**

SCOR Global Investments (SCOR GI), the SCOR group's asset management company, continues to strengthen its central functions with key appointments in its Risk Control, Compliance and Internal Control unit and changes to the composition of its Executive Board.

Eric Talleux is appointed Chief Risk Officer (CRO). He is in charge of Risk Control, Compliance and Internal Control. Raphaëlle Poupon also joins the company as Compliance and Internal Control Officer (CICO), reporting to Eric Talleux.

SCOR Global Investments' Executive Board has expanded and now includes - alongside Benjamin Ayache, Chief Operating Officer, and Fabrice Rossary, Chief Investment Officer - Olivier Nolland, Head of Sales and Marketing, and Eric Talleux, Chief Risk Officer. The Executive Board is chaired by François de Varenne.

François de Varenne, Chief Executive Officer of SCOR Global Investments, comments: *"Following a very positive year in 2014 in terms of revenue, SCOR Global Investments continues to strengthen its organisational structure to support its expansion and the growth of third party managed assets. The creation of a Control unit benefiting from a holistic approach to risks demonstrates our desire to place risk control at the heart of our management. The expertise of Eric Talleux in the fields of market risk, operating risk, and internal control and compliance, will be an advantage for us in our continued development with institutional investors."*

Eric Talleux, Chief Risk Officer

Eric Talleux, 45, joins SCOR Global Investments as Chief Risk Officer. He reports to François de Varenne, Chief Executive Officer of SCOR GI. Eric heads the Risk Control, Compliance and Internal Control unit and is in charge of continuing to develop SCOR GI's supervision of its business, and maintaining the standard of excellence associated with that business.
