

Vote on the resolutions - General results - Erratum

Following a technical error by our external service provider for general meetings' voting, the voting results of the Annual General Meeting of 26 April 2018 had to be corrected. Such corrections are minor (from -0.01% to -0.37%) and are without any consequence, neither on the quorum nor on the approval of the resolutions: all the 2018 resolutions remain validly approved. The corrected voting results are presented hereunder.
