

# LA RIASSICURAZIONE COME STRUMENTO STRATEGICO E FINANZIARIO

## Biografie dei relatori

## Brice Deplante

Deputy CUO, Property & Casualty – Alternative Solutions  
[bdeplante@scor.com](mailto:bdeplante@scor.com)

Deputy Chief Underwriting Officer Reinsurance of the Alternative Solutions since 2020, Brice joined SCOR in 2016 as a Client Relationship Manager for the French and Belgian P&C Markets. Previously Brice spent 6 years in the AXA Group: firstly, in the AXA Group Risk Management working on natural catastrophe analyses and P&C reinsurance optimisation; then at AXA Investment Managers as a quantitative analyst on the Insurance Linked Securities market.

Brice graduated from the actuarial school ISFA in 2010 (Master's degree, Actuarial and Financial Sciences) and he is a member of the French Institute of Actuarial Science (IAF).

# Jacky Mochel

Chief Technical Officer, Property & Casualty – Alternative Solutions  
[jmochel@scor.com](mailto:jmochel@scor.com)

Jacky Mochel joined SCOR in 2018 as Chief technical officer for the “P&C - Alternative Solutions” unit. His duties include advisory on capital management and other regulatory or accounting issues, including Solvency II and IFRS 17.

Before, he worked for 7 years at the French Financial Supervision Authority (ACPR, attached to the French central Bank), as deputy then head of a supervisory unit, where he was in charge of the regulatory supervision of ca 100 French insurance companies, and worked as well on the national implementation and enforcement of the new Solvency II regulatory framework.

Jacky Mochel graduated from Ecole Polytechnique (Paris) and the French “Corps des Mines” program for the Ministry of Economy and Industry executives.

# Leonid Rousniak

Underwriter, Property & Casualty – Alternative Solutions  
[lrousniak@scor.com](mailto:lrousniak@scor.com)

Leonid is an underwriter within SCOR's Alternative Solutions team, with a focus on P&C Reinsurance Western European markets and special products. He joined SCOR 5 years ago as an actuary within the Alternative Solutions team and transitioned to an underwriting role in 2020.

Leonid graduated from the polytechnical school EPFL in 2017 with a Master's degree in Applied Mathematics.

# Alexandre Tzenev

Global Head of Business Development, Life & Health EMEA Financial Solutions  
[atzenev@scor.com](mailto:atzenev@scor.com)

Alexandre is the Global Head of Business Development of the Financial Solutions department. He joined SCOR in 2014.

He has a wealth of global experience in structured reinsurance solutions, having previously spent over a decade in New York in various key structuring roles at both an investment bank and a reinsurer.

Alexandre Tzenev graduated from University of Waterloo (Canada) and he's a fellow of the Society of Actuaries from 2007 and a Chartered Financial Analyst.
