### **SCOR is named “General Reinsurer of the Year” by Asia Insurance Review**

SCOR was named “General Reinsurer of the Year” by the Asia Insurance Review at its Asia Insurance Industry Awards ceremony in Singapore on October 29, 2018.

This prestigious award bears witness to SCOR’s continuing success and contribution to the development of insurance in the Asia-Pacific region. It is also a true recognition of the Group’s strong regional anchor and long-standing presence in the region through its extensive network of local entities and empowered teams.

**Victor Peignet, CEO of SCOR Global P&C**, comments: *“Being named ‘General Reinsurer of the Year’ by Asia Insurance Review means a lot to us. This prestigious award further acknowledges the excellent work done by our teams in the region, where we have been active for nearly 50 years and are continuing to expand. It is also a great boost for our business ambitions in Asia-Pacific, where we are leveraging on our market proximity to develop more products and solutions alongside our clients, supported by the Group’s global experience and expertise.”*

### Forward-looking statements

SCOR does not communicate "profit forecasts" in the sense of Article 2 of (EC) Regulation n°809/2004 of the European Commission. Thus, any forward-looking statements contained in this communication should not be held as corresponding to such profit forecasts. Information in this communication may include "forward-looking statements", including but not limited to statements that are predictions of or indicate future events, trends, plans or objectives, based on certain assumptions and include any statement which does not directly relate to a historical fact or current fact. Forward-looking statements are typically identified by words or phrases such as, without limitation, "anticipate", "assume", "believe", "continue", "estimate", "expect", "foresee", "intend", "may increase" and "may fluctuate" and similar expressions or by future or conditional verbs such as, without limitations, "will", "should", "would" and "could." Undue reliance should not be placed on such statements, because, by their nature, they are subject to known and unknown risks, uncertainties and other factors, which may cause actual results, on the one hand, to differ from any results expressed or implied by the present communication, on the other hand.

Please refer to the 2017 reference document filed on February 23, 2018, under number D.18-0072 with the French Autorité des marchés financiers (AMF) posted on SCOR's website [www.scor.com](http://www.scor.com) (the "Document de Référence"), for a description of certain important factors, risks and uncertainties that may affect the business of the SCOR Group. As a result of the extreme and unprecedented volatility and disruption of the current global financial crisis, SCOR is exposed to significant financial, capital market and other risks, including movements in interest rates, credit spreads, equity prices, and currency movements, changes in rating agency policies or practices, and the lowering or loss of financial strength or other ratings.

The Group's financial information is prepared on the basis of IFRS and interpretations issued and approved by the European Union. This financial information does not constitute a set of financial statements for an interim period as defined by IAS 34 "Interim Financial Reporting".
