3.	acquisition of Company Shares for retention and subsequent remittance in exchange or as payment, in particular in the context of financial or external growth transactions, without exceeding the limit set by paragraph 6 of Article L. 225-209 of the French Commercial Code in the context of a merger, spin-off or contribution	yes
4.	to respect all obligations linked to the issuance of securities granting access to capital	yes
5.	cancellation of any Shares repurchased, within the limits established by law, in the context of a reduction in share capital approved or authorized by the shareholders.	yes

4. Maximum share of the capital, maximum number, characteristics and maximum repurchase price of the securities concerned

Securities concerned: SCOR SE ordinary shares listed on the Eurolist market of NYSE-Euronext Paris under the code ISIN FR0000130304.

The maximum purchase price is set at 1.33 times the consolidated net book value per share (excluding acquisition fees); on an indicative basis, pursuant to Article R. 225-151 of the French Commercial Code, on the basis of the consolidated net book value per share as at December 31, 2016 (i.e., EUR 35.94), of the resulting maximum purchase price (i.e., EUR 47.80) and of the share capital of the Company as acknowledged by the Board of Directors on February 21, 2017 (without taking into account the number of treasury shares held by the Company), the theoretical maximum amount allocated to the share repurchase program pursuant to this resolution amounts to EUR 920,315,196.80 (excluding acquisition fees).

In case of capital increase by incorporation of reserves and free allocation of Shares, and in case of splitting or regrouping of shares, this maximum price will be adjusted by a multiplication factor equal to the relation between the number of securities comprising the capital prior to the operation and such number after the operation.

The Shareholders' General Meeting of April 27, 2017 set the maximum number of shares able to be repurchased within the framework of the 2017-2018 Share Repurchase Program at 10% of the share capital as of the date of such purchases, it being specified that a) when the Shares are purchased to enhance liquidity of Shares in accordance with the conditions set forth in the General Regulation of the French Financial Markets Authority, the number of Shares taken into account for the calculation of the 10% limit shall correspond to the number of Shares purchased, after deduction of the number of Shares resold during the period covered by the authorization, and b) the number of treasury Shares shall be taken into account so that the Company never holds Shares in excess of 10% of its share capital.

The acquisition, sale or transfer of Shares may be effected, under the conditions authorized by the stock exchange authorities, by any means, on a regulated market, on a multilateral trading facility, via a systematic internalizer or by mutual agreement, including, in particular, by the acquisition or sale of blocks, by the use of derivative financial instruments, listed on a regulated stock exchange or by mutual agreement, or by the implementation of optional strategies and, if applicable, by any third party authorized for such purpose by the Company.

Such transactions may be effected at any time except during a public offering period, in accordance with applicable regulations.

Forward-looking statements

SCOR does not communicate "profit forecasts" in the sense of Article 2 of (EC) Regulation n°809/2004 of the European Commission. Thus, any forward-looking statements contained in this communication should not be held as corresponding to such profit forecasts. Information in this communication may include "forward-looking statements", including but not limited to statements that are predictions of or indicate future events, trends, plans or objectives, based on certain assumptions and include any statement which does not directly relate to a historical fact or current fact. Forward-looking statements are typically identified by words or phrases such as, without limitation, "anticipate", "assume", "believe", "continue", "estimate", "expect", "foresee", "intend", "may increase" and "may fluctuate" and similar expressions or by future or conditional verbs such as, without limitations, "will", "should", "would" and "could." Undue reliance should not be placed on such statements, because, by their nature, they are subject to known and unknown risks, uncertainties and other factors, which may cause actual results, on the one hand, to differ from any results expressed or implied by the present communication, on the other hand.

Please refer to the 2016 reference document filed on 3 March 2017 under number D.17-0123 with the French Autorité des marchés financiers (AMF) posted on SCOR's website www.scor.com (the "Document de Référence"), for a description of certain important factors, risks and uncertainties that may affect the business of the SCOR Group. As a result of the extreme and unprecedented volatility and disruption of the current global financial crisis, SCOR is exposed to significant financial, capital market and other risks, including movements in interest rates, credit spreads, equity prices, and currency movements, changes in rating agency policies or practices, and the lowering or loss of financial strength or other ratings.
