

APPOINTMENTS AT SCOR GLOBAL LIFE AUSTRALIA

Debra Pitcher has been appointed as Chief Underwriter, effective from 13 June 2017.

Debra was previously employed as a Chief Underwriter & Head of Underwriting Policy and has a career in life insurance that spans over 30 years, including experience within reinsurance.

Debra will be responsible for SCOR's overall Life underwriting strategy in Australia & New Zealand, and will focus on the continuous development of our proposition to clients and the end customer.

Paula Bourke, Head of Underwriting and Claims stated: *"We are delighted to have Debra join us to lead our underwriting function and strategy. Debra is highly regarded by the life insurance community, bringing experience that will be invaluable as we partner with our clients to provide innovative solutions and continue to grow our presence locally".*

Dr John Cummins has been appointed as Chief Medical Officer, effective from 26 June 2017.

John graduated from Sydney University in 1984, and was accepted as a fellow of the Royal Australian College of Physicians in 1992 as a Consultant Specialist Physician in General Medicine. He obtained a Masters Degree in Public Health at the University of Minnesota in 1996. John has extensive clinical experience in a variety of both public and private hospitals as a senior doctor, in addition to running his own private practices. He has a passion for evidence based preventative medicine with a focus on screening and managing cardiovascular disease and cancer.

John has an extensive career within the life insurance industry working across insurance and reinsurance as a consultant CMO. John will work with the SCOR team while continuing his clinical practices.

Dion Russell, Chief Executive Officer said: *"I am thrilled to welcome Dr Cummins to the SCOR team. His expert knowledge and insights in medicine will build an even stronger foundation for research and innovation keeping SCOR at the forefront of medical advancements and the impacts to life insurance".*

ABOUT SCOR

SCOR is organised around two main businesses, Property and Casualty reinsurance and Life reinsurance, plus an asset management business, SCOR Investment Partners. On the Life & Health business, SCOR ranks as the 4th largest life reinsurer in the world with €8.2b gross written premium in 2016, has 30 offices worldwide, and is the leading life reinsurer in the US.
